

# Call for Abstracts

International Congress on  
Membranes and Membrane  
Processes

Amsterdam, 23-29 July 2011

## Welcome

The organizing committee of ICOM 2011 has the pleasure to invite you to ICOM 2011. The ICOM is the world's largest conference on fundamental and applied membrane science, engineering and technology. It is organized by the Membrane Technology Group of the University of Twente, Enschede, The Netherlands ([mtg.tnw.utwente.nl](http://mtg.tnw.utwente.nl)). The conference is chaired by Dr. Kitty Nijmeijer, Dr. Antoine Kemperman and Prof. Matthias Wessling.

## Venue

ICOM 2011 will take place in the RAI in Amsterdam ([www.rai.nl](http://www.rai.nl)). The RAI is one of the largest conference centers in Europe. It is located in very close distance to the city centre of Amsterdam, and is easily accessible by public transport.

## Call for papers

We strongly encourage people working in the field of membrane science and technology to submit a conference abstract. Abstracts for both oral and poster presentations are accepted. ICOM 2011 covers the multidisciplinary chain of membrane science and technology ranging from molecule to process. Contributions can be fundamental or applied in nature.

## Important dates

|                  |                                      |
|------------------|--------------------------------------|
| October 15, 2010 | Website open for abstract submission |
| December 1, 2010 | Website open for early registration  |
| January 15, 2010 | Deadline for abstract submission     |
| March 1, 2011    | Notification of authors              |
| April 1, 2011    | Deadline for early registration      |
| May 1, 2011      | Conference program available         |
| July 1, 2011     | Abstracts available on website       |
| July 23-24, 2011 | Pre-conference workshops             |
| July 24-29, 2011 | ICOM 2011                            |
